Career Centre Courses - Advanced Acting

The biggest names in the industry have one thing in common; practice, study, and more practice. From breathing, voice, movement, emotion, we look at everything that is required to create the perfectly rounded actor.

Entry into any Career Centre Programs (up to 20 weeks duration) is by audition and invitation only, and generally reserved for those serious about pursuing a career in the performing arts industry. The content of these programs is continually being updated to reflect current practices and trends, and to engage leading industry professionals such as: voice coaches, directors and stage combat coaches.

Please make an appointment to discuss your suitability for these career development programs.
